Dear Members of the Enrichment Class of First Baptist Church,  
 On behalf of all of the Staff of the Watauga County Public Library, and of all of the reading public of our High Country area, I would like to take the opportunity to thank you for your most recent generous donation to our Library in memory of Mrs. Ann Carroll Blackburn.

Mrs. Blackburn's lifelong commitment to education, to our local area, and to the Library were a great gift to our community. Her service to the Watauga County Library Board and the Appalachian Regional Library Board during a period of great change and progress were invaluable to our local public libraries, and will be a lasting legacy of her life and work.

Again, our deepest appreciation to you for helping our Library continue to be a valuable community resource, and a most fitting tribute to the life, spirit, and memory of our dear friend, Ann Carroll Blackburn.

Best Regards, Evelyn Johnson - Adult Services Librarian

Joe is staying with his sister and may be able to come home by early August.

Each week we contact the people who have visited First Baptist that Sunday. The contact teams consist of a deacon, someone to bake a small cake or loaf of bread, and one other church member. The deacon gets the information from the Care cards that are turned in. For those who live in the area, the deacon contacts the other two members of the team. The baker prepares the cake or bread and the deacon and the other member of the team visit the visitors that week, taking the bread or cake as a thanks for visiting First Baptist. We have four teams, one for each Sunday in the week (counting the months with five Sundays), but we need one more team to visit on the third Sunday of the month.

Please consider volunteering to serve on this contact team. Call the office, or Ken Shull (264-2027) for more information. Thank you.
