This note is to inform the congregation of FBC Boone that the work of the Pastor Search Committee is being paused at this time. This is to give us an opportunity as a congregation to pray and work together on some important issues. The search committee itself represents the reality that we are a somewhat diverse congregation on some levels. In light of that diversity our congregation's task at this point is to determine how we can best work together moving forward. May we be united in sharing the love of Christ with each other and with the world. Your search committee invites you to be in prayer for each other during this time of transition.

Larry Lawhon, Chair of the FBC Boone Pastor Search Committee
